Use may occur by way of an interface delivered with or as a part of the Software, a Licensee or third-party interface, or another intermediary system. If Licensee receives licensed Software that replaces previously licensed Software, its rights under this Agreement with regard to the previously licensed Software end when it deploys the replacement Software for Use on productive systems. Reasonable costs of HashCash's audit shall be paid by Licensee if the audit results indicate usage in excess of the licensed quantities or levels. HashCash reserves all rights at law and equity with respect to both Licensee's underpayment of license fees or HashCash support fees and usage in excess of the license quantities or levels. HashCash may delegate to Authorized Reseller or request Authorized Reseller to perform any of the rights listed under this Section.

Termination shall not relieve Licensee from its obligation to pay fees that remain unpaid.

6. INTELLECTUAL PROPERTY RIGHTS.

6.1. Reservation of Rights. The HashCash Materials, and all Intellectual Property Rights embodied in the foregoing, shall be the sole and exclusive property of HashCash, HashCash Consultants (the parent company of HashCash) or its or their licensors, subject to any rights expressly granted to Licensee in Section 2 and 6.3 herein. Backup copies on transportable discs or other data media must be marked as backup copies and bear the same copyright and authorship notice as the original discs or other data media. Licensee must not change or remove HashCash's copyright and authorship notices.

6.3. Modifications/Add-ons.

6.3.1 Conditioned on Licensee's compliance with the terms and conditions of this Agreement, Licensee may make Modifications and/or Add-ons to the Software in furtherance of its permitted Use under this Agreement, and shall be permitted to use Modifications and Add-ons with the Software in accordance with the License grant to the Software set forth in Section 2.1.1(a) herein. Licensee shall comply with HashCash's registration procedure prior to making Modifications or Add-ons. All Modifications and all rights associated therewith shall be the exclusive property of HashCash and HashCash Consultants. All Add-ons developed by HashCash (either independently or jointly with Licensee) and all rights associated therewith shall be the exclusive property of HashCash and HashCash Consultants. Licensee agrees to execute those documents reasonably necessary to secure HashCash's rights in the foregoing. All Add-ons developed by or on behalf of Licensee without HashCash's participation ("Licensee Add-on"), and all rights associated therewith, shall be the exclusive property of Licensee subject to HashCash's rights in and to the Software; provided, Licensee shall not commercialize, market, distribute, license, sublicense, transfer, assign or otherwise alienate any such Licensee Add-ons. HashCash retains the right to independently develop its own Modifications or Add-ons to the Software, and Licensee agrees not to take any action that would limit HashCash's sale, assignment, licensing or use of its own Software or Modifications or Add-ons thereto.

6.3.2 Any Modification developed by or on behalf of Licensee without HashCash's participation or Licensee Add-on must not (and subject to other limitations set forth herein): enable the bypassing or circumventing any of the restrictions set forth in this Agreement and/or provide Licensee with access to the Software to which Licensee is not directly licensed; nor permit mass data extraction from Software to any non-HashCash software, including use, modification saving or other processing of data in the non-HashCash software; nor unreasonably impair, degrade or reduce the performance or security of the Software; nor render or provide any information concerning HashCash software license terms, Software, or any other information related to HashCash products.6.3.3 Licensee covenants, on behalf of itself and its successors and assigns, not to assert against HashCash or its affiliated companies, or their resellers, distributors, suppliers, commercial partners and customers, any rights in any Modifications developed by or on behalf of Licensee without HashCash participation or Licensee Add-ons , or any other functionality of the HashCash Software accessed by such Modification developed by or on behalf of Licensee without HashCash participation or Licensee Add-on.

7. PERFORMANCE WARRANTY.

7.1. Warranty. HashCash warrants that the Software will substantially conform to the specifications contained in the Documentation for six months following delivery. The warranty shall not apply: (i) if the Software is not used in accordance with the

Documentation; or (ii) if the defect is caused by a Modification or Add-on (other than a Modification or Add-on made by HashCash and which is provided through HashCash Support or under warranty), Licensee or third-party software. HashCash does not warrant that the Software will operate uninterrupted or that it will be free from minor defects or errors that do not materially affect such performance, or that the applications contained in the Software are designed to meet all of Licensee's business requirements. Provided Licensee notifies HashCash in writing with a specific description of the Software's nonconformance within the warranty period and HashCash validates the existence of such nonconformance, HashCash will, at its option: a) repair or replace the nonconforming Software, or b) refund the license fees paid for the applicable nonconforming Software in exchange for a return of such nonconforming Software. This is Licensee's sole and exclusive remedy under this warranty.

7.2 Express Disclaimer. HashCash AND ITS LICENSORS DISCLAIM ALL OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE EXCEPT TO THE EXTENT THAT ANY WARRANTIES IMPLIED BY LAW CANNOT BE VALIDLY WAIVED.

8. INDEMNIFICATION.

8.1 Infringement and Defense of Licensee. HashCash shall defend Licensee against claims brought against Licensee in the Territory by any third party alleging that Licensee's Use of the Software, in accordance with the terms and conditions of this Agreement, constitutes a direct infringement or misappropriation of a patent claim(s), copyright or trade secret rights, and HashCash will pay damages finally awarded against Licensee (or the amount of any settlement HashCash enters into) with respect to such claims. This obligation of HashCash shall not apply if the alleged infringement or misappropriation results from Use of the Software in conjunction with any other software, an apparatus other than a Designated Unit, failure to use an update provided by HashCash if such infringement or misappropriation could have been avoided by use of the update, or unlicensed activities. This obligation of HashCash also shall not apply if Licensee fails to timely notify HashCash in writing of any such claim. HashCash is permitted to control fully the defense and any settlement of any such claim as long as such settlement shall not include a financial obligation on Licensee. In the event Licensee declines HashCash's proffered defense, or otherwise fails to give full control of the defense to HashCash's designated counsel, then Licensee waives HashCash's obligations under this Section 8.1. Licensee shall cooperate fully in the defense of such claim and may appear, at its own expense, through counsel reasonably acceptable to HashCash. HashCash expressly reserves the right to cease such defense of any claim(s) in the event the Software is no longer alleged to infringe or misappropriate, or is held not to infringe or misappropriate, the third party's rights. HashCash may settle any claim on a basis requiring HashCash to substitute for the Software alternative substantially equivalent non-infringing programs and supporting documentation. Licensee shall not undertake any action in response to any infringement or misappropriation, or alleged infringement or misappropriation of the Software that is prejudicial to HashCash's rights.

8.2 THE PROVISIONS OF THIS SECTION 8 STATE THE SOLE, EXCLUSIVE, AND ENTIRE LIABILITY OF HashCash AND ITS LICENSORS TO LICENSEE, AND IS LICENSEE'S SOLE REMEDY, WITH RESPECT TO THE INFRINGEMENT OR MISAPPROPRIATION OF THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS.

Any reproduction of any Confidential Information of the other shall remain the property of the disclosing party and shall contain any and all confidential or proprietary notices or legends which appear on the original. With respect to the Confidential Information of the other, each party: (a) shall take all Reasonable Steps (defined below) to keep all Confidential Information strictly confidential; and (b) shall not disclose any Confidential Information of the other to any person other than its bona fide individuals whose access is necessary to enable it to exercise its rights hereunder. As used herein "Reasonable Steps" means those steps the receiving party takes to protect its own similar proprietary and confidential information, which shall not be less than a reasonable standard of care. HashCash will make reasonable efforts to avoid having the reference activities unreasonably interfere with Licensee's business.

It is the intent of the parties that in case any one or more of the provisions contained in this Agreement shall be held to be wholly or in part illegal, invalid or unenforceable in any respect, such illegality, invalidity or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid or unenforceable provision had never been contained herein. The illegal, invalid or unenforceable provision will be replaced by a valid and enforceable provision which approximates as closely as possible the intent of the invalid or unenforceable provision. This will also apply in the case of gaps.

12.2 No Waiver. If either party should waive any breach of any provision of this Agreement, it shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision hereof.

12.3 Counterparts. This Agreement may be signed in two counterparts, each of which shall be deemed an original and which shall together constitute one Agreement.

12.4 Regulatory Matters. The Software, Documentation and HashCash Materials are subject to the export control laws of various countries, including without limit the laws of the United States. Licensee agrees that it will not submit the Software, Documentation or other HashCash Materials to any government agency for licensing consideration or other regulatory approval without the prior written consent of HashCash, and will not export the Software, Documentation and HashCash Materials to countries, persons or entities prohibited by such laws. Licensee shall also be responsible for complying with all applicable governmental regulations of the country where Licensee is registered, and any foreign countries with respect to the use of the Software, Documentation or other HashCash Materials by Licensee and/or its Affiliates.

12.5 Governing Law; Limitations Period. This Agreement and any claims (including and non-contractual claims) arising out of or relating to this Agreement and its subject matter shall be governed by and construed under the laws of California, without reference to its conflicts of law principles. In the event of any conflicts between foreign law, rules, and regulations, and Pennsylvania law, rules, and regulations, California law, rules, and regulations shall prevail and govern. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. The Uniform Computer Information Transactions Act as enacted shall not apply. Licensee must initiate a cause of action for any claim(s) arising out of or relating to this Agreement and its subject matter within one (1) year from the date when Licensee knew, or should have known after reasonable investigation, of the facts giving rise to the claim(s).

12.6 Notices. All notices or reports which are required or may be given pursuant to this Agreement shall be in writing and shall be deemed duly given when delivered to the respective executive offices of HashCash and Licensee at the addresses first set forth in the Acceptance Form. Where in this section 12.6 or elsewhere in this Agreement written form is required, that requirement can be met by facsimile transmission, exchange of letters or other written form.

12.7 Force Majeure. Any delay or nonperformance of any provision of this Agreement (other than for the payment of amounts due hereunder) caused by conditions beyond the reasonable control of the performing party shall not constitute a breach of this Agreement, and the time for performance of such provision, if any, shall be deemed to be extended for a period equal to the duration of the conditions preventing performance.

12.8 Entire Agreement. This Agreement constitutes the complete and exclusive statement of the agreement between HashCash and Licensee, and all previous representations, discussions, and writings are merged in, and superseded by this Agreement and the parties disclaim any reliance on any such representations, discussions and writings. This Agreement (including this Section 12.8) may be modified only by a writing signed by both parties. This Agreement shall prevail over any additional, conflicting, or inconsistent terms and conditions which may appear on any purchase order or other document furnished by Licensee to HashCash. This Agreement shall prevail over any additional, conflicting or inconsistent terms and conditions which may appear in any click wrap end user agreement included in the Software. Signatures sent by electronic means (facsimile or scanned and sent via e-mail) shall be deemed original signatures.

12.9 Hierarchy. The following order of precedence shall be applied in the event of conflict or inconsistency between provisions of the components of this Agreement: (i) the Acceptance Form; (ii) the Software Use Right Schedule; (iv) the EULA.
