However, Payer must use all endeavors to reduce any such withholding payable to the lowest possible rate subject to compliance with all applicable laws and double taxation treaties. Recipient will cooperate with Payer to the extent that is necessary to apply for such reduction, especially by, but not limited to, providing necessary forms to Payer or the relevant tax authority. Otherwise, Payer is entitled to withhold tax at standard rates according to the relevant laws. The Payer will in the case of any withholding of any Withholding Tax provide to the Recipient a receipt from the relevant tax authority to which such Withholding Tax has been paid. 1. Direct License

If HASHCASH grants the Use rights for the Software directly to an End User, Partner must comply with the following provisions set out in this Article 8 no. 1 (Direct License):

- a) Partner must inform the End User of and include express provisions in its agreement with the End User stating that:
 - i. the use of the Software is subject to the terms and conditions of the EULA Acceptance Form, the EULA and the SUR;
 - ii. HASHCASH will neither deliver any Software nor the applicable license keys until HASHCASH received End User's duly signed EULA Acceptance Form; and

HASHCASH will provide the means to attach, upload or otherwise submit a signed copy of the EULA Acceptance Form together with the Software order in the order process. If required in the country of the relevant End User, HASHCASH will provide an address to which an originally signed copy of the EULA Acceptance Form by the End User must be sent.
- d) Partner is prohibited from making any changes to the EULA Acceptance Form, the EULA and the SUR but may have to insert certain additionally required information into the EULA Acceptance Form. Partner must further ensure that End User does not change the EULA Acceptance Form, the EULA and the SUR.
- e) If the relevant End User has not duly signed the EULA Acceptance Form or if the content of the EULA Acceptance Form, the EULA and/or the SUR was unduly changed or is incomplete, HASHCASH will not accept the corresponding Software order for such End User and will, thus, neither deliver any Software nor the applicable license keys. Partner will indemnify HASHCASH against any and all losses, actions, claims, expenses, demands and liabilities which may be incurred by or made against HASHCASH if the EULA Acceptance Form, the EULA and/or the SUR were unduly changed or are incomplete.

f) HASHCASH's obligation to grant license rights to an End User is suspended where and for as long as certain adverse conditions are present as provided for in Article 6 (HASHCASH's obligation to deliver) of Part 1 of the PartnerPro GTCs.

2. Indirect License

If HASHCASH grants Partner the right to grant the Use rights for the Software to an End User itself, Partner must comply with the following provisions set out in this Article 8 no. 2 (Indirect License):

- a) Partner must grant Use rights for the Software to an End User that are not less protective for HASHCASH than the ones set out in the HASHCASH GTCs and the then-current SUR ("**Indirect License**"). End User may make Modifications and/or Add-ons to the Software but excluding Third Party Software in furtherance of its permitted Use under the Indirect License, and shall be permitted to use Modifications and Add-ons with the Software in accordance with this Article 8 no. 2a)i. (License) and the section concerning Modifications/Add-ons in the HASHCASH GTCs. End User shall not: (i) use the HASHCASH Materials to provide services to third parties (e.g., business process outsourcing, service bureau applications or third party training) other than to Affiliates (subject to the terms set out in the HASHCASH GTCs); (ii) lease, loan, resell, sublicense or otherwise distribute the HASHCASH Materials, other than distribution to Affiliates (subject to the terms set out in the HASHCASH GTCs); (iii) distribute or publish keycode(s); (iv) make any Use of or perform any acts with respect to the HASHCASH Materials other than as expressly permitted in accordance with this Article 8 no. 2a); (v) use Software components other than those specifically identified in the Software order placed by Partner and accepted by HASHCASH for the relevant End User, even if it is also technically possible for End User to access other Software components;
 - ii. Software Use Rights Limitation. End User must also comply with the limitations stated in the SUR;
 - iii. Reservation of Rights. End User must accept that the HASHCASH Materials and HASHCASH Confidential Information and all title, rights and interest, especially, without limitation, any Intellectual Property Rights embodied therein are the sole and exclusive property of the HASHCASH Group or their licensors, subject to any rights, title or interest expressly granted to End User as set out in this Article 8 no. 2a)i. (License) and the section concerning Modifications/Add-ons in the HASHCASH GTCs. Except for the rights set forth in this Article 8 no. 2a)i. (License) and the section concerning Modifications/Add-ons in the HASHCASH GTCs, End User is not permitted to modify or otherwise make derivative works of the Software or other HASHCASH Materials;
 - iv. Protection of Rights. End User is not entitled to copy, translate, disassemble, decompile nor reverse engineer the Software or other HASHCASH Materials. End User must not create or attempt to create the source code from the object code of the Software or other HASHCASH Materials. End User must not change or remove HASHCASH's copyright and authorship notices attached to or relating to the Software or other HASHCASH Materials;
 - v. Confidential Information. End User must treat HASHCASH's Confidential Information in a manner that is at least as protective to HASHCASH as the rights and restrictions set forth in this Agreement; and
 - vi. Verification. End User must agree to permit HASHCASH to audit (at least once annually and in accordance with HASHCASH standard procedures, which may include on-site and/or remote audit) the usage of the Software and other HASHCASH Materials.
- b) Partner must use its best endeavors to shield all members of the HASHCASH Group from any liability arising out of or in connection with an Indirect License. Furthermore, Partner must include express provisions in each Indirect License agreement to ensure that any claim relating out of or in connection with an Indirect License will be brought against the Partner and not a member of the HASHCASH Group.
- c) Partner must ensure that all Software ordered for an End User is captured under a valid Indirect License with such End User.

- f) Partner must inform each End User that HASHCASH will not accept the corresponding Software order for such End User and will, thus, neither deliver any Software nor the applicable license keys if HASHCASH has not received from the Partner the confirmation that an Indirect License was duly signed by the End User for the Software ordered.
- g) Upon HASHCASH's request, Partner must provide a copy of the signed Indirect License agreement to HASHCASH (whereby blackening any references to commercial terms, especially prices). Partner must ensure that End User has given its consent for HASHCASH to review each Indirect License.
- h) Partner will indemnify HASHCASH and all other members of the HASHCASH Group against any and all losses, actions, claims, expenses, demands and liabilities which may be incurred by or made against HASHCASH or any other member of the HASHCASH Group if Partner did not conclude an Indirect License, if the terms of an Indirect License were less protective than the ones set out in the HASHCASH GTCs and the then-current SUR, if an Indirect License is not legal, valid, binding and enforceable and if the obligations assumed by the Parties thereunder do not constitute legal, valid, binding and enforceable obligations.
- i) Partner must inform HASHCASH immediately if Partner or an End User terminated an Indirect License as well as about the reasons for such termination.

Article 11 Model-specific Effect of Termination

1. If this Sell On Premise Model is terminated, rescinded or ends in any other way, Partner's right to:

- a) market and distribute the Software; and
- b) position HASHCASH Delivered Support,

2. However, Partner will be allowed to distribute each Software product ordered from HASHCASH for a specific End User for that HASHCASH accepted Partner's order before this Sell On Premise Model was terminated, rescinded or ended in any other way ("**Accepted Software**") without undue delay to the End User for whom the Software product was ordered. Obligations existing or arising under subsisting individual orders remain unaffected. HASHCASH is entitled to refuse to accept orders if HASHCASH has reasonable grounds to believe that the End User cannot go live with the Software during the term of this Sell On Premise Model.

3. Notwithstanding anything in Article 11 (Effect of Termination) of Part 1 of the PartnerPro GTCs, Partner will be allowed to use the Documentation as well as the HASHCASH Logo and other HASHCASH trademarks which he was authorized to use as set out in Article 4 (Trademark License) of Part 1 of the PartnerPro GTCs solely in connection with the Documentation in order to distribute the Accepted Software without undue delay to the specific End User for whom the Accepted Software was ordered.

1. As part of an audit as described in the GTCs and for compliance purposes only, HASHCASH may audit any documentation that identifies the dates of sale and delivery of HASHCASH Products, such as invoices, delivery orders, contracts and purchase orders by and between Partner and Customer or Partner and an Intermediary. In connection to such audit, Partner shall provide on request to the HASHCASH's Legal Compliance and Integrity Office information about margins anticipated on open opportunities or earned on closed opportunities.

2. In any case where Partner is unable to provide the requested documentation because of confidentiality obligations owed to a Customer or other applicable laws, including but not limited to relevant competition laws, whether arising by written contract or applicable law, Partner will promptly provide HASHCASH with written evidence not subject to those obligations. In addition, Partner will promptly and in writing seek the Customer's consent to waive confidentiality restrictions to permit HASHCASH to conduct its audit as intended. Should the Customer refuse to grant that consent, Partner will i) provide HASHCASH with a copy of the waiver request and written proof of that refusal and ii) identify appropriate contacts at the Customer with whom HASHCASH may elect to discuss the refusal.

Article 13 Special Discounts

1. If Partner requests discounts or pricing deviating from HASHCASH standard partner discount and pricing ("Special Discount"), Partner must provide accurate and truthful information relating to such request, as well as any available documents evidencing the need for the Special Discount request. HASHCASH's decision to offer any Special Discount will be assessed on an individual basis, and will be based upon the truth, accuracy, and completeness of the documentation provided. HASHCASH may decide at any point, in its sole discretion, to reject the request for a Special Discount. Both before and after any Special Discount is granted, Partner must inform HASHCASH immediately if any information relating to or underlying the Special Discount request changes. Upon HASHCASH's request, Partner will promptly provide HASHCASH or the expert with all relevant documentation to enable HASHCASH to verify that all information provided in support of a Special Discount request was truthful and accurate. Such information may include but shall not be limited to invoices, delivery orders, contracts and purchase orders by and between Partner and Customer, or Partner and an Intermediary ("the "Special Discount Documentation"). Subject to applicable laws, including but not limited to relevant competition laws, Partner hereby waives any objection to i) HASHCASH sharing Special Discount Documentation directly with the Customer, notwithstanding the terms of any agreement that would prohibit HASHCASH from doing so, and otherwise communicating (both orally and in writing) with the Customer, as HASHCASH deems necessary and appropriate to complete its desired audit relevant to Special Discounts and ii) the Customer sharing information on the Special Discount directly with HASHCASH. HASHCASH may invalidate a Special Discount if in respect of such Special Discount, Partner fails to comply with the requirements of this Section 2.

3. In its contracts with Intermediaries, Partner must require any Intermediary to adhere to the same obligations relevant to Special Discounts as outlined in Section 2 and 3 above. HASHCASH must be named a third-party beneficiary to such terms in a contract between Partner and any Intermediaries with the right to enforce such terms itself and independently from Partner against an Intermediary.
